

Student Goal Tracker

Student Goal	Student Reward
--------------	----------------

The path starts at a sign that says "START" and winds through a space-themed background. Along the path, there are several cartoon characters: a purple one-eyed monster, a purple alien with wings, a blue robot with a "N.E.R.A." cap, and a pink tentacle-like creature. At the end of the path is a trophy on a pedestal with a banner that says "Success!". The background features various planets and stars.
